Points we follow at AIS

- Quarterly trips or excursion to equip students with practical knowledge.
- All the activities are recorded in video format and sent to the WhatsApp group of the class on a daily basis.
- Guardians are informed about the development of their wards regularly.
- Competitions and quizzes are held regularly to assess the social and intellectual development of the students.
- We encourage participation of each student in every activity meant for social and academic development.

Finally, we make you an offer that you can't refuse !!

**We guarantee you the best education
your child can get !**

**We teach them, we train them and
you will notice the difference !**

**If at the end of first year, you don't feel satisfied
with your ward's progress,
we will return your complete tuition fee !!
Absolutely no questions asked !!**

**We, the teachers, are the real owners of the school.
We can say that because we believe in our system.
And we ask you to have faith in us and
allow us to prove our words !!**
